President Purkey,

I am Lee Long a member of ONSD but have had to cut back on all of my activities due to medical reasons (seizures). Before all of my medical problems I purchased a AT Pro metal detector with all the accessories plus a AT Pro pinpointer. I was only able to use it once and would like for someone in the club to get a great deal before I place the total package on Craigs List or on E Bay. For every thing I'm asking \$550 which is at least \$200 cheaper than everything I've seen on E Bay.

If you could would you send out an e-mail to all of the members with this information. Anyone can reach me at 336-209-1990.

Please accept my appreciation in advance for anything you may be able to do for me.

Sincerely,  
Lee Long
