Mar/Apr 2014

### The President's Corner

By William Purkey

Hello, ONSD Members,

This spring is off to a great start for ONSD..

The Annual ONSD Auction was a big success. Our club treasury is enriched by \$450.00. Many thanks to Rodney Joslin who did an excellent job as auctioneer and Susan Neubauer who recorded bids and kept track of the money .Thanks, Rodney & Susan.

Auction money will be used to insure that our ONSD Annual Seeded Hunt and picnic luncheon on May 24, 2014 will be a smash success. (Remember that the dates had to be moved from the last day of the month to May 24 to obtain the two shelters.)

Our next regularly scheduled ONSD meeting will take place on Saturday, April 26, 2014.

We meet at the East Coast Wings & Grill Restaurant at 9:00 a.m.. Our special guest speaker will be Dr. Roy Stine, professor at the University of North Carolina at Greensboro. Dr. Stine is a respected professional archeologist. He will be

describing some new ways to uncover and preserve the past. This will be an enjoyable and instructive meeting.

Odds & Ends:

\* Keep on the lookout for a club hunt location. A silver dollar will be awarded to any member who identifies a site that results in a club hunt.

\* The Blue Ridge Treasure Hunters Club, Hendersonville, NC is holding a club hunt at Myrtle Beach on May 16 & 17. Our club has been invited to participate. Should you be interested, please call me at 855-7034.

\* In the happy event that you find and return a valuable item to their owner you may receive the Randy Woolbright Community Service Award

I'll see you on April 26 if not before.

Happy Hunting.

Dear fellow members:

Due to a severe injury to my right shoulder, and subsequent illness, I have been unable to do very much work on the newsletter. Hopefully next month I will heal up, and be able to put out a revised newsletter.

Sincerely,

James Prettyman

## CODE OF ETHICS

The Old North State Detectorists (ONSD) encourage responsible conduct and strict compliance with all local, state, and federal regulations and restrictions.

The club takes pride in adopting this Code of Ethics.

I will respect private property and do no metal detecting without the owner's permission.

I will fill in all excavations and do no damage to property.

I will work with and support professional archaeologists and historians to protect national treasures.

I will remove and properly dispose of any trash I dig or is located in my digging area.

I will make a reasonable effort to return identifiable items to their owners.

I will conduct myself with courtesy and seek to set an example for other detectorists.

Adopted by unanimous vote of ONSD members, February 6, 2010
