The President's Corner by William Purkey

Hello, ONSD Members,

I trust you're finding time during this beautiful autumn to find some treasures. The club found a special treasure in locating a great place to hold future meetings. The Mendenhall Plantation, located on Main Street in Jamestown, has graciously allowed us to hold our meetings in the Mendenhall annex. This is an excellent location. It is centrally-located, there is ample parking, we can bring refreshments, and can hold our 50/50 raffle, auctions, and other money-making events. The rental charge is only \$2.00 per person per meeting. My guess is that the 50/50 raffle will cover most of the rental cost.

The opportunity to use Mendenhall comes with the club's responsibility to treat this historic site with care and respect. This means we leave the meeting room cleaner than we found it (old Boy Scout motto), that we park at the far end of the parking lot as close as possible, not to hog space, and that we insure the safety of the building. This means no smoking inside or out. My hope is that we will have club members volunteer to provide a large coffee pot, coffee, and related items. The club will reimburse you for any expenses. Even an occasional donut or baked goods would be nice.

Mendenhall opens a new door for our club. We will enter 2012 with a large membership, an excellent Executive Committee, a great meeting location, and a clear set of By-Laws. We're on our way to becoming one of the most enjoyable treasure-hunting clubs in America.

Happy Hunting.

William

Code of Ethics

The Old North State Detectorists (ONSD) encourages responsible conduct and strict compliance with all local, state, and federal regulations and restrictions.

ONSD takes pride in adopting this Code of Ethics.

- I will respect private property and do no metal detecting without the owner's permission.
- I will fill in all excavations and do no damage to property.
- I will work with and support professional archaeologists and historians to protect national treasures.
- I will remove and properly dispose of any trash dug or located in my digging area.
- I will make a reasonable effort to return identifiable items to their owners.
- I will conduct myself with courtesy and seek to set an example for other detectorists.

Adopted by unanimous vote of ONSD members, February 6, 2010.
