New Business:

- ✓ William Purkey discussed and asked for a motion to add changes to bylaws.
- ✓ Mac McAtee talked about the Revolutionary War button he found and the Civil War button that Herb Griffis found. This confirms both groups were in the Alamance Battlefield area.
- ✓ Mac McAtee stated we now have 13 members to join the FMDAC in the initial signup.
- ✓ Mac McAtee discussed how FMDAC supports metal detecting and also the many sanctioned area hunts they provide.
- ✓ William Purkey discussed the upcoming Southside hunt - Kent Riddle will set it up. It's an older area in Greensboro that had some connections to Civil War due to the railroad proximity.
- ✓ Mac McAtee asked for a guided tour after a meeting on Southside.
- ✓ Tom Metz and Steve Kelton volunteered to setup a gold panning trip maybe in the Cotton Patch paid area. More information at the next club meeting.
- ✓ Steve Kelton stated he knows a person that would be willing to come and discuss gold panning. He will provide the name of the person for a group discussion.
- ✓ Jim Spivey discussed the shelter that we will be doing metal detecting near and having a cookout lunch.
- ✓ Jim Spivey discussed the need to keep hunt locations as 'club-only information' because some sites have been previously raided early after announcing where the club was planning an outing. Motioned, seconded, and approved.
- ✓ Mac McAtee and Jim Spivey wanted the current email list purged to only club members and honorary members. Motioned, seconded, and accepted.
- ✓ William discussed seeded hunts. It is delayed for discussion at a later meeting.
- ✓ William discussed the upcoming cookout/hunt.
- ✓ Cookout approved for the April 30 meet. It will be members and their guests. Only members can dig. It was decided to let members bring their own meat and buns for cooking to reduce the club costs. Details on who, what and how much to be determined at the next meeting. The cookout and club meeting will be held at the shelter, rain or shine.
- ✓ Cookout committee. Jim and Vickie Spivey, with Mike and Tammy Beck, are the initial planning committee of volunteers. A list of needs will be drawn up for discussion at the next meeting.
- ✓ William Purkey received a call from Honorary Member Tom Netsel on an old railroad bridge that was burned during the Civil War in Jamestown. Many discussed that the location is very dense and has snakes. It was recommended to hunt there in Winter or early Spring. Jim Spivey will survey the area and report back to William Purkey to see if we want to pursue it.
